

I Left My Home

Your daddy was home when you left
Your mama was home when you left
Your sister was home when you left
Your brother was home when you left
The dog was home when you left
The cat was home when you left
The fish was home when you left
Your daddy, your mama, your sister, your
brother, the dog, the cat, the fish was home
when you left.
And that's the reason you left
I left my home
To join the army
I left my home
To join the army
The day I left
My mama cried
She thought that I
Would surely die
I left my wife
Standing at the door
She knew that I
Would die at war
I left my son
Playing in the yard
Seeing daddy leave
Made him cry so hard
The day I left
Shook my daddy's hand
He said that I
Had become a man
Ooo-Wee Ooo-Wee
Ooo-Wee Ooo-Wee
Ooo-Wee Ooo-Wee
We joined the army

Everywhere I Go

Everywhere I go
There's a drill sergeant there
Everywhere I go
There's a drill sergeant there
Drill Sergeant!
Drill Sergeant!
Why don't you leave me alone
Why don't you take yourself home
When I go to chow
There's a drill sergeant there
When I go to chow
There's a drill sergeant there
Drill Sergeant!
Drill Sergeant!
Why don't you leave me alone
Why don't you take yourself home
When I do PT
There's a drill sergeant there
When I do PT
There's a drill sergeant there
Drill Sergeant!
Drill Sergeant!
Why don't you leave me alone
Why don't you take yourself home

Hi, Ho, Lock and Load

Hi, Ho, Lock and Load
The engines are running, we're ready to roll
Kill the enemy take control
So early so early in the morning
Abrams on the hill
Tank commander's ready to kill
Give the order fire at will
So early so early in the morning
Sniper on the ground
Moving by without a sound
Locks and loads a single round
So early so early in the morning
Apaches in the sky
F-16s go zooming by
The enemy is about to die
So early so early in the morning

Come on Over

Come on over
The war's not over
So put your weapon next to mine
And we'll shoot em all down the line
I shot insurgent one
Did that one just for fun
So put your weapon next to mine
And we'll shoot em all down the line
Come on over
The war's not over
So put your weapon next to mine
And we'll shoot em all down the line
I shot insurgent two
Did that one just for you
So put your weapon next to mine
And we'll shoot em all down the line
I shot insurgent three
Did that one just for me
So put your weapon next to mine
And we'll shoot em all down the line
Come on over
The war's not over
So put your weapon next to mine
And we'll shoot em all down the line

Come on Over

He-ey Captain Jack
Meet me down by the railroad track
With that rifle in my hand
I'm gonna be a shooting man
The best I can
For uncle Sam
Re-Up your crazy
Re-Up your outta your mind

He-ey Captain Jack
Meet me down by the railroad track
With that bible in my hand
I'm gonna be a preaching man
A shooting man
The best I can
For uncle Sam
Re-Up your crazy
Re-Up your outta your mind

He-ey Captain Jack
Meet me down by the railroad track
With that grenade in my hand
I'm gonna be a killing man
A preaching man
A shooting man
The best I can
For uncle Sam
Re-Up your crazy
Re-Up your outta your mind

Airborne Ranger

I hear the choppers hovering
They're hovering overhead
They've come to get the wounded
They've come to get the de-ad
Airbo-o-o-o-o-orne
Ranger-rs Lead the way

My buddy's in a foxhole
A bullet in his head
The medic says he's wounded
But I know that he's dead
Airbo-o-o-o-o-orne
Ranger-rs Lead the way

I'm sitting in my foxhole
Sharpening my knife
Out jumps the enemy
I had to take his life
Airbo-o-o-o-o-orne
Ranger-rs Lead the way

Letter in the Mail

Uh Oh, Oh No
I gotta leave, I gotta go
This army life is crazy
It's got me missing my baby
I got a letter in the mail
Go to war or go to jail
I got a letter in the mail
Go to war or go to jail
This army life is crazy
It's got me!
It's got me!
It's got me missing my ba-by!

I used to date a beauty queen
Now I date my M-16
I used to date a beauty queen
Now I date my M-16
This army life is not my style
It's got me feeling like Gomer Pyle
Uh Oh, Oh No
I gotta leave, I gotta go
This army life is crazy
It's got me!
It's got me!
It's got me missing my ba-by!

I used to wear my favorite jeans
Now I'm rocking army greens
I used to wear my favorite jeans
Now I'm rocking army greens
This army life is not my style
It's got me feeling like Gomer Pyle
Uh Oh, Oh No
I gotta leave, I gotta go
This army life is crazy
It's got me!
It's got me!

It's got me missing my ba-by!

Steam Roller

I'm a steam roller ba-by
And I'm rolling down the line
I'm a steam roller ba-by
And I'm rolling down the line
So you better get outta my way now
Before I roll all over you

I'm a jack hammer ba-by
And I'm hammering down the line
I'm a jack hammer ba-by
And I'm hammering down the line
So you better get outta my way now
Before I hammer all over you
Before I roll all over you

I'm a dump truck ba-by
And I'm dumping down the line
I'm a dump truck ba-by
And I'm dumping down the line
So you better get outta my way
Before I dump all over you
Before I hammer all over you
Before I roll all over you
Before I break your heart in two
It takes a little,

a little,
a little rock and roll
It's the kind that,
the kind that,
the kind that soothes your soul
'Cause I'm a dumptruck baby
I'm a jackhammer baby
I'm a steamroller baby
I'm a heartbreaker baby
And I'm 'gon roll all over you

Mama, Mama Can't You See

Mama, mama can't you see
What the army's done to me
Mama, mama can't you see
What the army's done to me
Put me on a silver jet
That's a ride I won't forget
Put me on a silver jet
That's a ride I won't forget
Whoa-Oh

But they won't let me go
Ho-o-o-ome

Put me in a barber's chair
Spun me 'round, I had no hair
Set me in a barber's chair
Spun me 'round, I had no hair
Whoa-Oh
Whoa-Oh Yeah
Oh lord, I wanna go
But they won't let me go
Ho-o-o-ome

I used to date a beauty queen
Now I date my M-16
I used to date a beauty queen
Now I date my M-16
Whoa-Oh
Whoa-Oh Yeah
Oh lord, I wanna go
But they won't let me go
Ho-o-o-ome
Ho-ome Oh yeah

Mama, mama cant you see
What the army's done to me

My Way or the Highway

Just the other day I heard a drill sergeant say
You want to be a Soldier you gotta to do it
my way
My way or the highway
My way or the doggone highway
My way's the right way, your way's the
wrong way
Just the other day I heard a first sergeant say
You want to get this diamond you gotta to
do it my way
My way or the highway
My way or the doggone highway
My way's the right way, your way's the
wrong way

Down By The River

Down by the river
We took a little walk
Ran into the enemy
Had a little talk
We didn't like their attitude
We didn't like the way the walk
So we pushed 'em, we kicked 'em
We threw 'em in the river
Laughed as they drowned
We don't need no enemies
Hangin', hangin', hangin' around
He-ey don't be a foo-ool
Somebody said we were number 2
We're number 1! ARMY!
